NARRATIVE:

William Hudson is a documented gang member with an extensive adult criminal history that began at the age of 21. His convictions include assault, multiple cases of burglary, possession of dangerous weapons, vehicle theft, grand theft, theft, petty theft with priors, possession of controlled substances, false identification to peace officer, unauthorized use of syringe, under the influence of PCP, DUIs and intoxication of drugs and alcohol. He has served multiple state prison terms, the longest being a 2 year term for assault. Hudson was released from state prison to the supervision of the Los Angeles County Probation Department on July 28, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2016 after he absconded from post release community supervision (PRCS). Hudson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for assault is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
